

ONBOARD FILMING KIT

ONBOARD FILMING PROGRAM

NYC Ferry hosts film and production crews regularly on our vessels; past clients include Vogue, and Microsoft, as well as smaller indie projects. For film and photo shoots we host a range of scene capabilities such as scenes on the ferry (interior and exterior), capturing the city skyline, and more. The ability to film on NYC Ferry vessels gives film crews a unique vantage point to set the scene with Iconic NYC skylines and landmarks. Capturing NYC on film and photo is smooth sailing with NYC Ferry's 6 routes connecting all 5 NYC boroughs via the East River and Hudson River.
