Average Daily Ridership

Highlights

NYC Ferry set a single day ridership record on 7/22 with over 52,000 riders. The Rockaway Rocket returned on 8/12, selling more than 2,600 tickets over four summer weekends.

Service Notes

Weekend schedules operated on 7/3, 7/4, and 9/4. NYC Ferry provided an additional shuttle between Pier 11 and Red Hook on select Sunday mornings to help alleviate Brooklyn Cruise Terminal traffic.

¹On Time Performance is calculated as the percentage of trips that departed no more than 1 minute before and arrive no more than 5 minutes past their scheduled times at each landing. This report does not include delays due to events outside of the control of NYC Ferry, such as vessel traffic, river closures/obstructions, extreme weather conditions, and other U.S. Coast Guard restrictions. When tracking devices are offline, the stops are excluded from the calculation. ²Number of NYCF-branded vessels available for use.
